Download the Park App for today's schedule

## UPGRADED EXPERIENCE

### Flightline Safari

Glide along a zip line for 2/3 mile over vast animal habitats. **Reserve your spot today!** Additional charge applies.

### Conservation

The Safari Park recycles and reclaims the water used in restrooms, streams, fountains, play elements, and animal habitat pools.

You can conserve water at home:

- 1) Plant drought-resistant lawns and shrubs;
- 2) Make sure your home is leak free;
- 3) Install high-efficiency plumbing fixtures.

Protect the environment by allowing plants to grow and by disposing of recyclables and trash in appropriate containers.

### For Wildlife Health and Safety

- Please do not touch or feed any animals or disturb any plant life or habitats.
- Always stay on marked pathways and in designated areas.
- Photo extension poles or other devices may not be used to cross habitat barriers.
- Entrance into any animal habitat without the consent of an authorized representative of San Diego Zoo Wildlife Alliance is unlawful under California Penal Code Section 602.13.
- All wildlife care specialists are trained in human/wildlife interactions. Our care is conducted within the strictest of safety guidelines.

### Planning an Event?

Think outside the box and go a little wild! Choose the San Diego Zoo or San Diego Zoo Safari Park for your next event. Call 619-685-3259 or email [events@sdzwa.org](mailto:events@sdzwa.org) for more information.

## Join the Alliance!

San Diego Zoo Wildlife Alliance is a nonprofit leader in wildlife care, conservation, science, and education. We ally with partners around the world in eight conservation hubs to deliver long-term, high-impact solutions to save species. Just by visiting the Zoo or Safari Park, donating, or making a purchase, you help us build a future where wildlife and humans can thrive. Thank you for being a wildlife ally!

[sdzwa.org](http://sdzwa.org)

### Our Projects

We focus our work in eight conservation hubs, or key regions around the world where we can have the greatest collaborative impact to save and protect wildlife.

#### Rhino

We are working with local community partners in Kenya to protect rhinos from poaching and wildlife trafficking, and at our Rhino Rescue Center here in San Diego, we are developing and applying the genetic science needed to save northern white rhinos from extinction.

#### Elephant

One of the many detrimental effects of elephant poaching is that young calves are left orphaned. We are supporting our partners at the Reteti Elephant Sanctuary in northern Kenya in efforts to rescue, rehabilitate, and rewild these young elephants.

#### Tiger

Asia's tigers are among the most endangered animals on Earth, killed for their body parts and because they sometimes come into villages in search of food. We are allying with partners in the regions where tigers live to protect their habitat, and to share education with local communities.

#### Platypus

Australia is subject to increasing threats from wildfires, much like California. The platypus is one species affected by the resulting habitat loss and droughts that dry up the waterways they depend on. We are aiding partners in assessing and protecting their remaining habitat.

### Get 365 days of free admission!

Put today's admission toward a membership, and join the Alliance. [sdzwa.org/ally](http://sdzwa.org/ally)

### There are ONLY 2 northern white rhinos left on the planet.

Together, we can turn things around. Join the Alliance! [sdzwa.org](http://sdzwa.org)

## Featured Experiences

### Africa Tram

An open-air expedition around savanna habitats. No reservation required.

Los tranvías en español se ofrecen todos los días a la 1:00 p.m. Consulte una taquilla para conocer la disponibilidad y una reserva gratuita.

### Kangaroo Walk

In Walkabout Australia, walk through this habitat featuring kangaroos, wallabies, and Australian waterfowl.

### Petting Kraal

In Nairobi Village, pet and brush animals.

### Conservation Carousel

In Safari Base Camp, ride on our carousel featuring endangered species *(fee required)*.

### Entertainment

To see our full schedule of entertainment, head over to our app! Simply scan the QR code on the front of this map.

### Play Areas

Climb and explore at Mawazo Woods Discovery Area, Camp Play Area, and Village Playground, or cool off in Savanna Cool Zone *(seasonal operation)*.

### Robert the Zebra

In Nairobi Village, visit Nairobi Station and talk with our interactive digital zebra.

## Guest Information

### ATM

In the Entry Plaza building, Park Base, and the upper deck of the elevator tower.

### Park Base

Information, First Aid, Lost & Found, and inquiries regarding public transit and plant identification.

### Family Restrooms

Accessible family restrooms are located near Park Base, at Walkabout Australia, and near Mawazo Kitchen.

### Rentals

Strollers, wheelchairs, and motorized mobility scooters are available for rent on a first-come, first-served basis at Safari Outfitters, just inside the Park entrance.

### Guests with Disabilities

Information is available at Safari Ticket Booths and Park Base. The elevator system provides access to attractions at lower elevations, including Africa Tram, Lion Camp, and African Outpost. For guests with mobility challenges, a courtesy shuttle is available for access.

### Safaris

Available at any ticket booth. Advance reservations available online, or call 619-718-3000.

### Lockers

Large and small rental lockers are available on a first-come, first-served basis, just inside the Park entrance.

### Safety

Shirts and shoes must be worn at all times.

### Vehicle Charging

Four fee-based electric car chargers are available in the guest parking lot on a first-come, first-served basis.

### Dining

We offer a range of dining options, from restaurant dining to a quick bite. Based upon current restrictions, locations, menus, seating, and operating hours are subject to change.

We are proud to partner with the following organizations:
